Planning Checklist

Project and Task Categories	Tasks and Considerations	Priority	Estimated Time (Days) To Complete	Est. Start Date	Est. Due Date	Notes

- **Start with checklist and add or delete areas that apply to your**
  - Make initial prioritization of your tasks

- **Fluid Planning and Project Management Cycle**
  - Identify more specific tasks
  - Estimate time to complete
  - (re)Prioritize your tasks

NEMSIS
BETTER DATA. BETTER CARE.

Your Software Vendor

- Their NEMSIS Compliance testing timeline
- Evaluate the transition tools provided by your vendor as part of the planning process

  - Dataset Management

  - Validation tools

  - Runform development

NEMSIS
BETTER DATA. BETTER CARE.

3rd Party Vendors

- Determine compliance testing plan for these vendors
  - May be delayed compared to your software
  - Effect on transition timeline
  - Update to software versions lead time

- Plan to shut off acceptance of V3.3.4 or V3.4

- As of 7/8/2021 only 7 vendors submitted applications to complete compliance testing

NEMSIS
BETTER DATA. BETTER CARE.
