# NEMSIS
BETTER DATA. BETTER CARE.

BOOT CAMP
Transitioning to NEMSIS v3.5

JULY 13, 2021
9AM - 1PM MDT
Zoom Virtual Meeting

Registration Link

Target Audience: State/territory EMS officials involved with EMS data collection.

Please join the NEMSIS Technical Assistance Center, NHTSA's Office of EMS and other data managers for an in-depth look at transitioning to the NEMSIS v3.5 Data Standard. This training will provide tools, education, discussion, and recommendations for implementing v3.5 in your state/territory.

TOPICS:

- Benefits of Transitioning to v3.5.0
- Modifying eOutcomes
- Utilization of the NEMSIS Defined Lists
- Transition Implementation Checklist
- Updating Validation Rules

- Software Market Availability
- Impact of UUID
- Educational and Support Materials
- Crosswalk of Elements from v3.4.0 to v3.5.0
- Changes to Incident/Patient Disposition
