

April 8, 2022

Dear NEMSIS Stakeholder,

Thank you for being a champion for EMS services. We know your communities have asked a lot of you during these difficult days, and we appreciate your dedication to EMS. The NEMSIS TAC team invites you to attend the NEMSIS Annual v3 Implementation Meeting on Sunday, August 21st – Tuesday, August 23rd at the Lodges at Deer Valley Resort.

We are aware that EMS services face many challenges across the nation and understand how evidence-based prehospital emergency medical care data continue to characterize many pressing issues.

The objectives of the NEMSIS Annual Meeting include:

1. Networking with local and national EMS & NEMSIS stakeholders
2. Collaborating on revisions to the National EMS Data Standard
3. Discussions regarding how to reduce the data collection burden on EMS services using the v3.5 data standard
4. Refine materials to characterize the v3.5 transition plan and its impact on EMS stakeholders
5. Discuss how the TAC may better serve all stakeholders

The NEMSIS Annual Meeting is an opportunity to ensure that your voice is heard and your concerns are represented. Please consider attending the NEMSIS Annual Meeting either in person or virtually. The in-person meeting registration fee at The Lodges at Deer Valley is \$250 per person. This fee includes conference presentations and meeting meals. The costs associated with your hotel stay are separate and are [linked here](#). The virtual meeting registration fee is \$100 per person that will help cover the video streaming experience.

We consider this the most important NEMSIS meeting you could attend as we all move toward implementing the v3.5 standard. We are committed to improving the NEMSIS standard in partnership with you and look forward to visiting with you.

Please join us.

Sincerely,

N. Clay Mann, PhD, MS, MBA
Professor and Principal Investigator of NEMSIS Technical Assistance Center
University of Utah, School of Medicine, Dept. of Pediatrics
